Description :

- 102" Width cap. Veneer Clipper completely reconditioned to modern mechanical and safety standards to meet todays manufacturing needs. Original machine frame will be fully disassembled cleaned and repainted. The frame is the only part of the original machine used and all components are upgraded.

Mechanical upgrades include:

1. 2-Hand anti-tie back push button cycle activation
2. Photo safety eyes located on both front and back side of blade
3. Full safety guarding including a fully enclosed knife section
4. New electric motor and gear box main drive system
5. New knife and shear bar
6. All new electrical/control box with Components and Wiring
7. All new upgraded bearings including replacing Babbitt bearings

Machine comes with a full (1) year warranty
