### Description :

- "ANGULAR" membrane press designed for larger veneer surfaces for the furniture/kitchen cabinet industries.
- 118" x 27-1/2" Single platen size.
- A special shaped table allows for working flat or profiled surfaces with veneer.
- Has the ability to also veneer the sides of angular or "L-shaped" surfaces by using an additional vertical table that is included.
- Most work cycles are completed in just 4-minutes.
- Adhesion is performed through the use of evenly distributed heat accross the work surface and applying vacuum pressure.
